Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On August 30, 2006, APA Enterprises, Inc. (the Company) paid \$871,911 into an escrow account to retire the debt from the South Dakota Economic Development and Finance Authority. These funds will be used to make final payment on the Company's debt to the State of South Dakota on October 1, 2006, the next bond redemption date.

During 1996-97 the Company built its new production facility in Aberdeen, South Dakota. This facility was partially funded by using proceeds of a \$1.895 million bond from the State of South Dakota Governor's Office of Economic Development. The bonds required the Company to maintain operations in the state of South Dakota and compliance with certain financial covenants. The repayment was made pursuant to a Notice of Default and Acceleration received by the Company. The primary reason for the notice was related to the Company ceasing all of its South Dakota operations in the later part of fiscal year 2006 as a part of its consolidation of manufacturing operations. The Company has made timely interest and principal payments, and the reason for the notice was not related to the payments.
