**PROXY STATEMENT**

---

**FOR ANNUAL MEETING OF SHAREHOLDERS  
February 27, 2008**

---

**SOLICITATION AND REVOCATION OF PROXIES**

The accompanying proxy is solicited by the Board of Directors of Clearfield, Inc (formerly known as APA Enterprises, Inc.) (the "Company") in connection with the 2008 Annual Meeting of the Shareholders of the Company, to be held on Wednesday, February 27, 2008, at 3:30 p.m. Minneapolis time at 5480 Nathan Lane, Suite 120, Plymouth, MN 55442 and any adjournments thereof. This Proxy Statement and the accompanying form of proxy card are first being mailed to shareholders on or about January 28, 2008.

**How to Vote**

- By signing and returning the enclosed proxy card, you will be giving your proxy to our Board of Directors and authorizing them to vote your shares.

**How Your Proxy Will be Voted; Board Recommendations**

- Unless revoked, all properly executed proxies will be voted as specified. Proxies that are signed but that lack any specification will, subject to the following, be voted as follows, in accordance with the recommendations of the Board: FOR all nominees for director and FOR the amendment to the Stock Compensation Plan. If any other matters properly come before the Annual Meeting, or if any of the persons named to serve as directors should decline or be unable to serve, the persons named in the Proxy will vote in accordance with their discretion.

**How to Revoke Your Proxy**

- You have the power to revoke your proxy at any time before the convening of the Annual Meeting. Revocations of proxy will be honored if received by us, at the Company, addressed to the attention of Bruce Blackey, Chief Financial Officer, before the meeting on February 27, 2008. In addition, on the day of the meeting, prior to the convening thereof, revocations may be delivered to the tellers who will be seated at the door of the meeting room.
-

#### **Abstentions**

- If you abstain from voting as to any matter, your shares shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal.

#### **Broker Non-Votes**

- If a broker turns in a “non-vote” proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote proxy will be considered present at the meeting for purposes of determining a quorum but will not be considered to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

#### **Cost of Solicitation**

- We will pay all expenses in connection with the solicitation of proxies. Proxies are being solicited primarily by mail, but officers, directors, and other employees of the Company may also solicit proxies by telephone, telegraph, or personal calls. No extra compensation will be paid by us for such solicitation. We may reimburse brokers, banks, and other nominees holding shares for others for the cost of forwarding proxy materials to, and obtaining proxies from, their principals.

### **VOTING RIGHTS**

Only shareholders of record at the close of business on January 23, 2008, are entitled to notice of and to vote at the meeting or any adjournment thereof. As of that date, we had issued and outstanding 11,872,331 shares of Common Stock. Each holder of record of our Common Stock is entitled to one vote for each share registered in the shareholder’s name as of the record date. The Articles of Incorporation of the Company do not grant the shareholders the right to vote cumulatively for the election of directors. No shareholder will have appraisal rights or similar dissenter’s rights as a result of any matters expected to be voted on at the meeting.

The presence in person or by proxy of holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting will constitute a quorum for the transaction of business.

### **CHANGE OF FISCAL YEAR**

In August 2007, we changed our fiscal year end from March 31 to September 30, resulting in a six-month transitional year beginning on April 1, 2007, and ending on September 30, 2007. All references in this Proxy Statement to fiscal year 2007 mean such six-month transition year. Fiscal year 2008 is the period beginning October 1, 2007, and ending on September 30, 2008.

*Audit Committee.* The audit committee has sole authority to appoint, review and discharge our independent public accountants. The committee also reviews and approves in advance the services provided by the independent public accountants and reviews our internal accounting controls. The audit committee operates under a written charter adopted by the Board of Directors. All members of the Audit Committee are “independent” under the current Nasdaq stock market listing standards. The Board has identified John G. Reddan as the current member of our Audit Committee who meets the definition of an “Audit Committee Financial Expert” under rules of the Securities and Exchange Commission. During fiscal 2007, the Audit Committee held 3 meetings. See “RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS – Report of Audit Committee” below.

*Compensation Committee.* The compensation committee develops general compensation policies and establishes compensation plans and specific compensation levels for executive officers. The compensation committee met once during fiscal 2007 to consider the compensation of the executive officers. See “EXECUTIVE COMPENSATION.”

*Nominating Committee.* The nominating committee selects nominees for election as directors of the Company. In fiscal 2007, the nominating committee met once, at which time it selected nominees for election at the upcoming annual meeting. The nominating committee will consider qualified director nominees recommended by shareholders for election in 2009 and beyond. Our process for receiving and evaluating Board member nominations from our shareholders is described below under the caption “Nominations.”

The assumptions used to determine the valuation of the awards are discussed in Management's Discussion and Analysis of Financial Condition and Results of Operations and Note N to our consolidated financial statements, each included in the Company's Annual Report on Form 10-KSB filed with the Securities and Exchange Commission on December 21, 2007. ### Code of Ethics

The Company has adopted a code of ethics applicable to its chief executive officer and senior financial officer. The code is available at no charge by request to the Company in writing, to the attention of the Comptroller. Additionally, the code is filed with the Securities and Exchange Commission as an exhibit to the Company's Report on Form 10-K for the fiscal year ended March 31, 2004, and is available on our website ([www.clearfieldconnection.com](http://www.clearfieldconnection.com)).

## **Nomination of Director Candidates**

Effective May 27, 2005, the Board of Directors appointed a standing nominating committee for selection of nominees for election to the Board of Directors. The committee's charter is available on our website ([www.clearfieldconnection.com](http://www.clearfieldconnection.com)) or by request in writing to the Company (Attn: Chief Financial Officer).

The nominating committee determines the required selection criteria and qualifications of director nominees based upon the needs of the Company at the time nominees are considered. In general, at a minimum, a candidate must possess the ability to apply good business judgment and must be in a position to properly exercise his or her duties of loyalty and care. In addition, the committee evaluates candidates based on financial literacy, knowledge of the Company's industry or other background relevant to the Company's needs, status as a shareholder in the Company, "independence" for purposes of compliance with the rules of the SEC and the Nasdaq Stock Market, and willingness, ability, and availability for service. Candidates will be preferred who hold an established executive level position in business, finance, law, education, research or government. When current Board members are considered for nomination for reelection, the nominating committee also takes into consideration their prior Company Board contributions, performance and meeting attendance records.

The nominating committee has not utilized the services of any third party search firm to assist in the identification or evaluation of Board member candidates. However, the committee may engage a third party to provide such services in the future, as it deems necessary or appropriate at the time in question.

The nominating committee will consider qualified candidates for possible nomination that are submitted by our shareholders. Shareholders who wish to make such a submission may do so by sending the following information to the nominating committee c/o Clearfield, Inc., Attn: Chief Financial Officer: (1) name of the candidate and a brief biographical sketch and résumé; (2) contact information for the candidate and a document evidencing the candidate's willingness to serve as a director if elected; (3) a signed statement as to the submitting shareholder's current status as an owner and the number of shares currently held. Nominations are further subject to the requirements of Section 2.14-a of the Company's Bylaws. Our Bylaws are available on our website ([www.clearfieldconnection.com](http://www.clearfieldconnection.com)) or by request in writing to the Company (Attn: Chief Financial Officer).

This information will be evaluated against the criteria established by the committee and the specific needs of the Company at that time. Based upon such preliminary assessment, candidate(s) who appear best suited to meet the needs of the Company may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the committee will determine which nominee(s) to propose for election at the next annual meeting. The committee will use the same process for evaluating all nominees, regardless of the source of the nomination.

No candidates for director nominations were submitted to the committee by any shareholders in connection with the 2008 Annual Meeting. Any shareholders desiring to present a nomination for consideration by the committee prior to our 2009 annual meeting must do so at least 90 days prior to the one year anniversary of this year's Annual Meeting (i.e. 90 days prior to February 27, 2009), as required by Section 2.14-a of our Bylaws.

**Shareholder Communication with the Board**

We do not have a formal procedure for shareholder communication with our Board of Directors. In general, our officers are easily accessible by telephone or mail. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to our Comptroller at the Company address with a request to forward the same to the intended recipient. All such communications will be forwarded unopened.

We encourage all incumbent directors, as well as all nominees for election as director, to attend the annual meeting of shareholders. All incumbent directors and nominees attended the annual meeting in August 2007.

## CERTAIN RELATIONSHIPS AND TRANSACTIONS

*Lease for Company Facility.* Prior to October 30, 2007, we leased our principal executive office and manufacturing facility in Blaine, Minnesota, from Jain-Olsen Properties, a partnership consisting of Anil K. Jain and Kenneth A. Olsen. Both of them are former officers of the Company. In addition, Mr. Olsen is a former director and Dr. Jain is a current director of the Company. On October 30, 2007, we (i) purchased this facility at appraised fair market value, pursuant to an option to purchase contained in the lease, (ii) terminated the lease, and (iii) sold the property to a third party.

*India Facility.* Prior to June 28, 2007, Kul B. Jain, brother of our former chief executive officer, Anil K. Jain, was a director of our APA Optronics (India) Private Limited subsidiary that was established in fiscal 2005. Kul B. Jain was paid approximately \$250 per month in this position. He was not an employee of APA Optronics (India) or APA Enterprises, Inc. On June 28, 2007, we sold all of our interest in our Indian subsidiary to an entity controlled by Anil K. Jain, our former chief executive officer, on terms deemed by the independent directors to be fair and reasonable to the Company. The purchase price of \$500,000 is payable over 5 years and is secured by pledges of stock and Dr. Jain's payments under his separation agreement, as well as by a guarantee from Dr. Jain.

*Split Dollar Insurance.* In November 1989, we adopted a split dollar life insurance plan (the "1989 Plan") for the benefit of Anil K. Jain. Under the terms of the 1989 Plan, we pay the premiums on a \$5 million insurance policy (the "Policy") on the lives of Dr. Jain and his spouse. The Policy is a whole life, joint and survivor policy, on which all premiums are paid by us and income is imputed to Dr. Jain in an amount equal to the term rate for his insurance as established by the insurer. No premium payments have been made since January 1996. The Policy is owned by the Jain Children's Irrevocable Trust dated November 28, 1989, (the "Trust"). The 1989 Plan is designed so that we will recover all premium payments and advances made by us on account of the Policy held by the Trust. Our interest in the premium payments and advances is secured by a collateral assignment of the Policy. Upon the death of the last to die of Dr. Jain and his spouse, we will be reimbursed from the insurance proceeds paid to the Trust in an amount equal to the total premiums and advances made by us. In the event the trustee of the Trust surrenders the Policy for its cash surrender value at some date in the future, we will be reimbursed for the premiums paid on the Policy.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company and any written representations that no Forms 5 was required, the Company believes that all reports required to be filed by its officers, directors, and greater than 10% beneficial shareholders under Section 16(a) of the Exchange Act were timely filed.

### PROPOSAL 2: AMENDMENT OF 2007 STOCK COMPENSATION PLAN

In 2006, the Board of Directors adopted and the shareholders approved the 2007 Stock Compensation Plan (the "Plan") to assist in attracting, retaining and rewarding employees. 750,000 shares of Common Stock are currently authorized and reserved for issuance under the Plan, and as of December 31, 2007, 390,300 shares of common stock remain available for grants under the Plan.

On November 29, 2007, the Board of Directors approved an amendment to the Plan, subject to shareholder approval, to increase the number of shares of common stock authorized and reserved for issuance thereunder from 750,000 shares to 1,500,000 shares.

The Board of Directors believes that compensation based on the value of the Company's stock is an important element in attracting and retaining highly skilled and qualified employees and, further, that stock-based awards are highly effective in aligning the interests of these individuals with those of the shareholders. Therefore, the Board of Directors believes that it is desirable to amend the Plan to authorize additional shares of common stock.

**Shares Subject to the Plan.** A total of 750,000 shares of common stock were originally reserved for issuance under the Plan. The proposed amendment will increase that number to 1,500,000 shares. The shares of common stock that may be issued or transferred to grantees under the Plan may be authorized but unissued shares or outstanding shares acquired by the Company. The Plan provides for appropriate adjustment in the number of shares subject to the Plan and to the grants previously made if there is a stock split, stock dividend, reorganization or other relevant change affecting the Company's corporate structure or its equity securities. If shares subject to an award are not issued to the extent permitted prior to expiration of the award or an award is otherwise forfeited, such shares will become available for inclusion in future grants. On January 17, 2008, the closing price for the common stock in the Nasdaq Global Market was \$1.04 per share.

**Administration.** The Plan is administered by the Board or a committee appointed by the Board. The Board or committee determines the participants, grants stock options, with or without stock appreciation rights, and other awards, establishes rules and regulations for the operation of the Plan, and determines the price, term, vesting schedule, number of shares and other terms of options and other awards. The Board or committee may delegate its powers and duties to members of the Company's administration with respect to Plan participants who are not subject to Section 16 of the Securities Exchange Act of 1934.

**Eligible Participants.** The Plan allows grants of awards to any employee of the Company or any affiliate or subsidiary, no matter where located.

As of January 4, 2008, there were approximately 105 employees eligible to participate in the Plan. The number of grantees may vary from year to year.

The following table sets forth, as of January 23, 2008, the number of stock options granted under the Plan to the Named Executive Officer (see "Summary Compensation Table"), all current executive officers as a group, and all employees (including officers who are not executive officers) as a group. No director or director nominee, except Ms. Podzimek, no nonemployee, and no associate of any director, director nominee or executive officer has received any grant under the Plan; nor has any person been granted options to purchase 5% or more of the shares available under the Plan.

	<u>Number of Shares</u>
Cheryl Beranek Podzimek, Named Executive Officer	195,000
All current executive officers, as a group (2 persons)	195,000
All employees (excluding executive officers) as a group	164,700

**Stock Options.** Options granted under the Plan may be in the form of either options that qualify as “incentive stock options” under Section 422 of the Code (“ISOs”) or those that do not qualify as such (“NQSOs”). The term of an option is fixed by the Board or committee, but no option may have a term of more than ten years from the date of grant. Options are exercisable at such times as determined by the Board or committee. The option exercise price is determined by the Board or committee at the time of grant but cannot be less than 100% of the fair market value of the common stock on the date of grant. The grantee may pay the option price in cash or, if permitted by the Board, by note or by delivering to the Company shares of common stock already owned by the grantee that have a fair market value equal to the option exercise price. If an ISO is granted to a participant who owns, at the date of grant, in excess of 10% of the Company’s outstanding common stock, the exercise price must be at least 110% of the fair market value on the date of grant and the term of the ISO may be no more than five years from the date of grant. In addition, the total fair market value of shares subject to ISOs which are exercisable for the first time by any participant in any given calendar year cannot exceed \$100,000 (valued as of the date of grant).

**Stock Appreciation Rights.** The Board or committee may grant stock appreciation rights (“SARs”) in connection with a stock option granted under the Plan. If a grantee exercises an SAR, the grantee will receive an amount equal to the excess of the fair market value of the shares with respect to which the SAR is being exercised over the option exercise price of the shares. If an SAR is exercised in whole or in part, the right under the related option to purchase shares with respect to which the SAR has been exercised will terminate to the same extent. If a stock option is exercised, any SAR related to the shares purchased will terminate.

**Other Stock-Based Awards.** The Board or committee, in its discretion, may grant other awards that are valued in whole or in part by reference to, or otherwise based on, the common stock, including, without limitation, performance shares, convertible preferred stock, convertible debentures, or exchangeable securities. Such awards may be granted in addition to or in tandem with stock options or stock appreciation rights granted under the Plan. The Board or committee may set such terms with regard to the vesting of such awards as it deems reasonable.

**Termination of Employment.** Unless otherwise provided in the related award agreement, awards granted under the Plan are generally not transferable other than by the laws of descent and distribution or pursuant to a Qualified Domestic Relations Order as defined by the Code or Title I of the Employee Retirement Income Security Act, or their rules and regulations thereunder. Following the death of an optionee, any option held may be exercised, to the extent such option was exercisable at the time of death or on such accelerated basis as the Board or committee may determine at or after grant, by the legal representative of the optionee’s estate or by any person who acquired the option by will or the laws of descent and distribution for a period of one year or such other period as the Board or committee may specify at grant from the date of such death or until the expiration of the stated term of the option, whichever period is shorter. If a participant’s employment by the Company is terminated by reason of disability, any option held by such participant may thereafter be exercised, to the extent it was exercisable at the time of termination or on such accelerated basis as the Board or committee may determine at or after grant until the expiration of the stated term of such option (unless otherwise specified by the Board or committee at the time of grant). If the optionee dies prior to the expiration of any unexercised option, the option may thereafter be exercised to the extent it was exercisable at the time of death for a period of one year from the date of death or until the expiration of the stated term of the option, whichever period is shorter. If any optionee’s employment by the Company is terminated for any other reason, the option may be exercised, to the extent otherwise then exercisable, for the lesser of three months from the date of termination of employment or the balance of their term of the option. Terms for awards other than stock options and stock appreciation rights may be set by the Board or committee at the time of the granting of the award.

Change of Control. In the event of a “Change of Control” (as defined in the Plan), unless determined otherwise by the Board of Directors prior to the Change of Control, any award granted under the Plan will become fully exercisable and vested and will terminate 60 days thereafter. For purposes of the Plan, a “Change in Control” occurs when (i) the majority of the directors of the Company are persons other than persons whose election has been solicited by the Board of Directors or have been appointed by the Board to fill vacancies created by death, resignation, or a new position, (ii) any person or group of persons (as defined in Section 13(d) of the Exchange Act and the rules thereunder) acquires 30% or more of the outstanding voting stock of the Company, or (iii) the shareholders of the Company approve a merger or consolidation (other than a merger or consolidation with a subsidiary of the Company or in which the Company is the surviving corporation and the shareholders of the Company immediately prior to the merger own more than 70% of the outstanding voting stock of the surviving corporation or its parent corporation), exchange of shares, sale or other disposition of all or substantially all of the Company’s assets, or liquidation or dissolution of the Company.

Tax Rules. The following is a brief summary of the federal income tax rules currently applicable to stock options that may be granted under the Plan.

The grant of a NQSO will have no immediate tax consequences to the grantee or to the Company. Upon the exercise of a NQSO, the grantee will recognize ordinary income (and the Company will generally be entitled to a compensation deduction) in an amount equal to the excess of the fair market value of the shares of common stock on the date of the exercise of the option over the option exercise price. The grantee’s tax basis in the shares will be the exercise price plus the amount of ordinary income recognized by the grantee, and the grantee’s holding period will commence on the date the shares are transferred. Special rules apply in the event all or a portion of the exercise price is paid in the form of stock. Other special rules may also apply to a grantee who is subject to Section 16 of the Exchange Act.

Upon a subsequent sale of shares of common stock acquired pursuant to the exercise of an NQSO, any difference between the grantee’s tax basis in the shares and the amount realized on the sale is treated as long-term or short-term capital gain or loss, depending on the holding period of the shares.

The grant of an ISO will have no immediate tax consequences to the grantee or to the Company. The exercise of an ISO by the payment of cash to the Company will generally have no immediate tax consequences to the grantee (except to the extent it is an adjustment in computing alternative minimum taxable income) or to the Company. If a grantee holds the shares acquired pursuant to the exercise of an ISO for the required holding period, the grantee generally will realize long-term capital gain or long-term capital loss upon a subsequent sale of the shares in the amount of the difference between the amount realized upon the sale and the purchase price of the shares (i.e., the exercise price). In such a case, no compensation deduction will be allowable to the Company in connection with the grant or exercise of the ISO or the sale of shares of common stock acquired pursuant to such exercise.

If, however, a grantee disposes of the shares prior to the expiration of the required holding period (a “disqualifying disposition”), the grantee will recognize ordinary income (and the Company will generally be entitled to a compensation deduction) equal to the excess of the fair market value of the shares of common stock on the date of exercise (or the proceeds of the disposition, if less) over the exercise price. Special rules apply in the event all or a portion of the exercise price is paid in the form of stock.

No income will be realized by a participant and the Company is not entitled to a compensation deduction in connection with a grant of an SAR. When the SAR is exercised, the participant will generally be required to include as taxable ordinary income in the year of exercise an amount equal to the amount of cash and the fair market value of any shares of common stock received. The Company will be entitled to a compensation deduction at the time and in the amount included in the participant’s income by reason of the exercise. If the participant received common stock upon exercise of an SAR, the post-exercise appreciation or depreciation will be treated in the same manner as discussed above regarding the tax treatment of NQSOs.

The federal income tax treatment of other stock-based awards will depend on the nature of any such award and the restrictions applicable to such award. Such an award may, depending upon the conditions applicable to the award, be taxable as an option or as an award of restricted or deferred stock. In certain instances, a participant may be entitled to defer recognition of income on the value of a grant of stock if the stock is subject to substantial risk of forfeiture. The participant will be subject to tax at ordinary income rates on the fair market value of the stock on the date that income is recognized. The Company generally will be entitled to a compensation deduction equal to the amount that is taxable as ordinary income to the participant in the year that such income is taxable. With respect to the subsequent sale of stock received, the holding period to determine whether a participant will recognize long-term or short-term capital gain or loss will generally begin when any restriction period expires (or the date on which the participant recognizes income), and the tax basis for such shares will generally be the fair market value of the shares on that date.

**Plan Benefits.** Grants of options and award under the Plan are discretionary. Accordingly, it is not possible to identify the recipients or specify the amounts to be received by any recipient. In general, the Board or the committee administering the Plan will seek recommendations from management (as to non-executive employees) concerning the recipients of grants and awards, the appropriate amounts and types of awards, and the term of the exercise. Grants and awards may be made annually, or more frequently in the case of new hires, promotions, or other special circumstances. In general, the Committee's compensation policy includes stock incentives for executive management as a significant component of total compensation.

**Equity Compensation Plan Information.** The Company currently has three compensation plans: The 1993 Directors Plan, the 1997 Stock Compensation Plan, and the 2007 Stock Compensation Plan, all of which have been approved by the shareholders of the Company. In addition, the Company has issued warrants to its directors and certain service providers. These awards have not been presented to or approved by the shareholders. The following table presents information as of September 30, 2007, about these plans and awards.

<u>Plan Category</u>	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by shareholders	236,830	\$1.72	713,170
Equity compensation plans not approved by shareholders	350,000	\$3.00	Not applicable*
<b>Total</b>	<b>586,830</b>	<b>\$2.48</b>	<b>713,170</b>

\* These securities are comprised solely of warrants that were not issued pursuant to any formal plan with an authorized number of securities available for issuance.

**Accounting Treatment.** In December 2004, the Financial Accounting Standards Board ("FASB") issued FASB Statement No. 123 (revised 2004), Share-Based Payment, which is a revision of FASB Statement No. 123, Accounting for Stock-Based Compensation. Statement 123(R) supersedes ABP Opinion No. 25, Account for Stock Issued to Employees, and amends FASB No. 95, Statement of Cash Flows. Generally the approach in Statement 123(R) is similar to the approach described in Statement 123. However, Statement 123(R) requires all share-based payments to employees, including grants of employee stock options, to be recognized in the income statement based on their fair values. Pro forma disclosure will no longer be an alternative. The provisions in Statement 123(R) became effective for all stock options or other equity-based awards to employees or directors that vested or became exercisable in 2006. The Company first reported in accordance with the new standard in its fiscal quarter ended June 30, 2006.

The affirmative vote of a majority of the shares of common stock present and voting on such matter is necessary for the proposed amendment of the Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE 2007 STOCK COMPENSATION PLAN. YOUR PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.

## RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

### Report of Audit Committee

The Audit Committee of the Board of Directors is comprised of three non-employee directors. All members are independent as defined under the rules of The Nasdaq Stock Market.

The Audit Committee held 3 meetings during the transitional fiscal ended September 30, 2007. The meetings were designed to facilitate and encourage communication between the Audit Committee and the Company's independent public accountants, Grant Thornton LLP.

During these meetings, the Audit Committee reviewed and discussed the quarterly and audited financial statements with management and Grant Thornton LLP.

The discussions with Grant Thornton LLP also included the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Grant Thornton LLP also provided to the Audit Committee the written disclosures and the letter regarding their independence as required by the Independence Standards Board Standard No. 1. This information was discussed with Grant Thornton LLP.

Based on these discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended September 30, 2007, be included in the Company's annual report on Form 10-KSB.
